## **Muriel Bowser Sworn in at the District of Columbia's Inauguration Ceremony**

(Washington, DC) – Today, Chief Superior Court Judge Lee F. Satterfield administered the oath of office for Ward 4 Councilmember Muriel Bowser. Councilmember Bowser was joined by her parents Joshep and Joan Bowser, siblings, supporters and her staff, as she accepted her first full four year term on the Council of the District of Columbia as the Ward 4 Councilmember.

Throughout her inauguration speech Councilmember Bowser focused on “examining our government, our civic life, our families, and our communities”. Over the last eighteen months Councilmember Bowser’s focus has been on “moving Ward 4 forward” by improving our neighborhoods, strengthening our schools, keeping our streets clean and safe, and bringing needed economic development to the major corridors of Ward 4.
